

5G: What we are up against (from a techie)

We just had several unusual behaviors occur in cities already testing 5G networks. We had the Santa Rosa fires, the Austin bomber, and a rookie NFL receiver have a psychotic break in Los Angeles. Many people will not see the connection because they do not understand the science behind it. I lay out this science every day on my Dr. Jack Kruse Facebook page, my Patreon blog, and on my website forum.
