

# CPC #33: Grounding Part 2

How do you know you are not as connected to Earth and sun chronically?

You'll begin to feel better when you use opiates, weed, cocaine, and caffeine in coffee tea or chocolate. Eventually, you cannot live your life without any of some of them.

Morphine, Nicotine, and Cocaine – are all in caffeine's chemical family. See the picture below. Ask yourself, why are the USE of these drugs on a massive uptick? Might it be the world's ability to make dopamine in the eye and body is dropping in a blue-lit, RF/microwaved world we've built?
