

Lesson learned at Kruse Longevity Center

This was a pretty amazing special weekend at Kruse Longevity Center FOR ME. We had a visit and situation develop here this weekend that could have derailed our treatments but then quantum entanglement stepped onto the stage and things began to change very rapidly. It has made me reflect deeply as I slept last night. With sleep, an answer emerged from thin air. What might have been horrible pathway.....maybe the best thing to occur for me in quite some time.
